CHRISTMAS WEDDING AT THE BRIDE'S HOME

There was a comfy home wedding Christmas day at the home of the bride's parents on E. North street, when Miss Pearl Chittick was taken to wife by Mr. Robert Birkbeck, of Wadsworth. The nuptial ceremony occurred at 11 a. m. and the bans were said by Rev. Goodale.

Only the immediate friends of the bride and groom were present, with the officiating minister and his family as guests. Dinner was served at noon. Mr. and Mrs. Birkbeck spent a few days at the home of the bride and then left for Wadsworth, where they will make their home.

M. E. VESPER SERVICES PROVE HAPPY EVENT

The Vesper service held in the M. E. church Sunday afternoon is pronounced the best so far given. The house was full to overflowing and the program was given to an appreciative audience. There were 70 in the chorus, with 7 additional musicians to aid in the program.

The soloists—Mrs. Bigelow, Miss Schlabach, Messrs. Best and Bohley—were at their best, and their offerings were happily received. The instrumental trio by Mr. Beck, Mrs. Ziegler and Miss Sipher was given with pleasing effect.

The carols given by 35 girls, under the direction of Miss Pocock, proved one of the features of the service. Friends say that it will be some time before this musical organization can again equal the offering of this Christmas Vespers.

During the rendition of the "March of the Magi" the church was made

dark and the spotlight searched out the Star of Bethlehem and stood stationary on it. The church decorations were white and green. The chorus of 35 girls was also dressed in pure white and made a very deep impression.

MEDINA O. S. U. ALUMNI ELECTS OFFICERS, 1920

The banquet Tuesday evening by the Medina County O. S. U. alumni, held in the parlors of the Church of Christ, was well attended, 100 of the total county membership of 200 being present. Prof. R. C. Walcott, of the faculty at Columbus, was the speaker of the evening. The gathering proved a most enjoyable one, the dinner was fine, and the message brought to brother alumni by Prof. Walcott was greatly appreciated.

Officers for the ensuing years were elected as follows: S. M. Salisbury, president; Mrs. Will Hammerschmidt, sec'y.; Robt. McDowell, treas.

The members present passed unanimously a resolution asking the State Senator from this district and the member of the Legislature from this county, to support the bill now before those bodies appropriating additional funds for increase in salaries of professors and to make possible the erection of a new stadium on the campus. As the O. S. U. football team has won four out of five pennants the alumni feels that the University team is worthy the recognition that a new stadium will be to them.
